

Issues Facing Our Community: CHILDCARE

OVERVIEW

Some type of child care arrangements are used by 600,000 families in Minnesota. In some part of the state, there are three times as many children as daycares. The Minnesota Department of Human Services reports from 2005-2015, the number of licensed in-home providers dropped 27 percent.

THE COMMUNITY IMPACT COALITION

The coalition's strategic intent is to create long lasting impact in our community in the areas of education, income, and health by serving as a resource in identifying and meeting community needs, as well as being a resource to one another. Meetings take place once a month and are open to the community.
